Subpart EE—Virginia

§ 1952.370 Description of the plan as initially approved.

(a) The Virginia Department of Labor and Industry is the agency responsible for administering the plan and the Virginia Department of Health is designated as responsible for occupational health matters. The plan defines the covered occupational safety and health issues as defined by the Secretary of Labor in 29 CFR 1902.2(c)(1) and all safety and health standards adopted by the Secretary of Labor, except those found in 29 CFR parts 1915, 1916, 1917, and 1918 (ship repairing, shipbuilding, shipbreaking and longshoring), will be enforced by the State upon approval of the plan by the Assistant Secretary. The State will retain its existing standard applicable to ionizing radi-

ation. New Federal standards will be adopted by the Safety and Health Codes Commission within 6 months after Federal promulgation.

(b)(1) The plan includes enabling legislation passed by the Virginia legislature in February 1973, and amendments thereto enacted in 1975 and 1976. The Commissioner of the Department of Labor and Industry will have authority to enforce and administer laws regarding the safety and health of employees. Safety inspections will be conducted by the Department of Labor and Industry whereas health inspections will be conducted by the Department of Health. The Department of Labor and Industry will issue citations, set abatement dates, and issue summons and/or warrants for a civil district court determination of violations and assessment of proposed penalties for such safety and health violations. Appeals of the district court's determination shall be to the circuit court sitting without a jury. Fire safety inspections and enforcement will be provided by agreement with the State Fire Marshal. The State plan provides for the coverage of all employees including coverage of public employees within the Commonwealth with the exception of maritime workers, employees of the United States, and employees whose working conditions are regulated by Federal agencies other than the U.S. Department of Labor under section 4(b)(1) of the Occupational Safety and Health Act of 1970. The Commissioner is authorized to establish a program applicable to employees of the State and its political subdivisions.

(2) The legislation also insures inspections in response to employee complaints; right of employer and employee representatives to accompany inspectors; notification to employees or their representatives when no compliance action is taken as a result of alleged violations; notification to employees of their protections and obligations; protection of employees against discharge or discrimination in terms and conditions of employment; adequate safeguards to protect trade secrets; prompt notice to employers and employees of alleged violations of
